

Victorian Iron Horse Roundup

21- 29 August 2021

****DISCLAIMERS****

DRONES

- Cumbres & Toltec Scenic Railroad will have official drone pilots for this event with footage available for purchase after the event. If you intend to fly your personal drone during this event, please consult with the Cumbres & Toltec Airforce (Roger Hogan & Steve Forney) before flying to get special instruction to ensure safety protocols. Please contact Roger Hogan with any questions about drone usage during the event at roger@railroadsusa.com.
- As stated in the CODE OF FEDERAL REGULATIONS (CFR); 14 CFR 107.39, no person may operate a small unmanned aircraft over a human being unless-
 - (a) That human being is directly participating in the operation of the small unmanned aircraft;
 - (b) That human being is located under a covered structure or inside a stationary vehicle that can provide reasonable protection from a falling small unmanned aircraft; or
 - (c) The operation meets the requirements of at least one of the operational categories specified in subpart D of this part.
- Drones also cannot overfly trains but can fly around the train.

TERMS & CONDITIONS

- Due to the nature of equipment scheduled for use during this event, unpredictability of forces of nature, and the need to adhere to all FRA safety and operational regulations, the Cumbres & Toltec Scenic Railroad reserves the right to cancel any part of any of the scheduled events. Participants will not be offered a refund or credit for any circumstances.

Per TSA requirements, Cumbres & Toltec Scenic Railroad guests are required to wear masks in public areas which include ticket offices, gift shops, restrooms, and train cars that have roofs, windows, and doors with some or all windows closed. Guests DO NOT have to wear masks outdoors, in open-air gondola cars, open platforms between train cars, or in cars that have ALL windows open. We will continue to follow all federal, state, and local safety guidelines. In accordance with CDC guidelines, we encourage masks to be worn by individuals who are not fully vaccinated

Schedule of events

View One of the World's Largest Gatherings of 19th Century Locomotives All Under Steam at the Cumbres & Toltec Scenic Railroad's Victorian Iron Horse Roundup.

Plenty of Free Events Open to Public to Celebrate Cumbres & Toltec Scenic Railroad's 50th Anniversary; Specialty Tickets Sold Out but Regularly Scheduled C&TSRR Departures Still Available

The Victorian Iron Horse Roundup will feature two 1875 steam locomotives from Nevada, the *Eureka* and the *Glenbrook*, and they will be joined by our own recently restored 1883 engine No. 168 and engine No. 425 (315). All four steam locomotives will pull historic consists of passenger and freight cars, creating living images that have not been seen on this planet for 140 years.
